To Whom it May Concern,

NPF Industry Pty Ltd expresses total support of the ban on seabed mining in Northern Territory waters as proposed under the NT Minister for Environment's Draft Declaration to prohibit seabed mining:

[https://depws.nt.gov.au/\\_data/assets/pdf\\_file/0019/1003069/draft-declaration-to-prohibit-subsea-mining.pdf](https://depws.nt.gov.au/_data/assets/pdf_file/0019/1003069/draft-declaration-to-prohibit-subsea-mining.pdf)

NPFI relies on the content of its submission to the consultation process on this matter of 19/11/20 and the NT government's *Statement of Reasons* in supporting the Draft Declaration.

NPFI industry commends the NT government for taking a pro-active and precautionary approach to protecting the marine environment, critical habitats, marine species, marine resource-dependant industries in NT waters and Sacred Sites through this Declaration.

Yours sincerely,
